

# Lollipops

*A classical concert series for children presented  
by the Greenville Symphony Orchestra*

“Lollipops” concerts introduce children to classical music and the instruments of the orchestra through interactive concerts presented by members of the Greenville Symphony Orchestra. During each concert, chamber ensembles accompany a storybook reading. And of course, audience members receive a lollipop at the end of each performance!

**Supported by**

**BMW  
GROUP**

Plant Spartanburg

Lollipop concerts are appropriate for children ages 2 to 7, although all children and adults are welcome. Programs last approximately 30 minutes. Reservations are not required, and admission is FREE
