

Dear Student Ambassadors,

Thank you for your application and we are so happy to welcome you to the Greenville Symphony's Student Ambassador program of 2025-2026!

We have a great season of concerts awaiting us, and we are very excited to be able to include you in our audience and in our lobby before the shows! We will have a few positions for you before each concert: helping Peace Center staff, floating in the lobby, meeting patrons, standing by the doors, handing out programs and saying hello.

These jobs will help you work on your communication skills, as well as give you insight into the business of "Front of House," the way that concert venues work to make concert-going experiences special for patrons. Having brief conversations with so many different people will help you with job interviews, public speaking, presentations and more in the years to come. Then you get to enjoy beautiful music afterwards!

At the bottom of this letter, we have a Parental Consent form, plus orientation material to discuss what to expect, dress code, concert hall etiquette, and how and when to speak to fellow patrons.

We are looking forward to meeting all of you at the first concert!

Sincerely,

Anneka Zuehlke and Grace Butler
